

Beccles Rowing Club 200 Club

The Beccles Rowing Club 200 Club is a simple fundraiser for the club. It is a small-scale, licensed lottery giving members, friends and family the opportunity to win one of four cash prizes each month while helping to provide a steady income for the club.

It costs just £1 per calendar month, payable twelve monthly in advance. So each full ticket costs £12. **Of course participants may buy more than one ticket each if they wish!**

Prizes will be distributed each month as follows:- One main prize of 25% of all subscriptions for that month and three consolation prizes each of 5%. A further 10% will be set aside each month for an annual JACKPOT prize. The remaining 50% goes towards the club.
